Please deny the request for CN to acquire the E.J. & E. My family and I currently live along the stretch of R.R. north of Division Street in Joliet. The train volume is currently just tolerable. The sound and vibrations the trains create are currently tolerable. To double the amount of trains a day will provide little peace and quiet, which is not unreasonable to expect.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
